

NEWS RELEASE:

Lewiston-Nez Perce County Airport (LWS) Air Traffic Control Tower Reduced Operating Hours

Due to staffing shortages, the Lewiston Nez Perce County Air Traffic Control Tower will have reduced operating hours, effective Monday, March 31, 2025.

Until further Notice, ATC will be closed on Tuesdays and operate either regular hours of 6 am to 10 pm or limited hours of 7 am to 4:30 pm PDT.

Pilots are encouraged to check Notice to Airmen (NOTAMs) before flying in and out of LWS and verify that they are on the correct frequency.

About the Lewiston-Nez Perce County Airport

LWS is a public-use airport two miles south of Lewiston, Idaho. The City of Lewiston and Nez Perce County own the airport. The airport prides itself on dependability. "Fly LWS when it matters the most."
